Pride Holdings Group (Formerly Parliament House Enterprises Inc.) Acquires Johnsons Nightclubs, Strengthening U.S. LGBTQ+ Entertainment Portfolio

Fort Lauderdale, FL – July 9, 2025 — Pride Holdings Group (PHSE), a global leader in LGBTQ+-oriented hospitality and entertainment, is proud to announce the acquisition of Johnsons, the iconic male entertainment.

This acquisition represents a key strategic move for Pride Holdings Group as it continues building a world-class portfolio of LGBTQ+ nightlife and cultural destinations across the globe.

Originally established as premier destinations for all-male revue entertainment, Johnsons have become community landmarks, celebrated for their vibrant atmosphere, inclusivity, and commitment to excellence in LGBTQ+ nightlife.

Michael Barrett, CEO of Pride Holdings Group, commented: “Johnsons represents an important part of LGBTQ+ nightlife. These venues are not only successful businesses — they are spaces where people gather, connect, and celebrate community. We are excited to bring them into the Pride Holdings family and ensure their continued growth, quality, and cultural significance.”

Under PHG’s stewardship, Johnsons will retain its unique brand identity while benefiting from operational enhancements, marketing resources, and expanded community engagement initiatives.

This acquisition follows PHG’s recent international moves, including the purchase of Stonewall Hotel in Sydney and Castello di Camino in Italy, as part of its long-term mission to preserve, uplift, and expand LGBTQ+ spaces around the world.
